Dear Staff Workers,

Due to the ongoing situation, many of our Clients delayed their payment . We are facing cash flow shortage for paying your salary full this month. Today part of the salary is paid the remaining will be paid by next week. We are seriously working to find an early solution to this.

In the meantime, we request all your cooperation on the above.

MEMO

**TO : ALL WORKERS
(ALL GROUP OF COMPANIES)**

This is to inform you all that our State Bank of India accounts is blocked by the Bank due to some technical reasons. We are in the process of opening account with another bank, however due to the ongoing situation (covid-19) all offices and banks are reduced their working hours and this affected the opening of account is getting delayed. Therefore the salary disbursement will be next week and we hope that the next salary will not be delayed once the account is open.

Expecting your cooperation.

MEMO

TO : ALL WORKERS

(ALL GROUP OF COMPANIES)

As per the Instruction from our company legal firm, ~~on~~ opening of account with other bank is still under process. This delays due to the restricted working hours in the bahrain court and the bank due to the current situation (covid-19). They required another 8 to 10 working days to open this account. We assure you that the balance salary and current month salary disbursement will be done together once the account is open.

Expect your cooperation as usual
